

**Amendments to the Drawings**

*Please replace original Drawing sheets 1-4 with the Replacement Sheets provided herewith. No changes have been made to the Figures.*

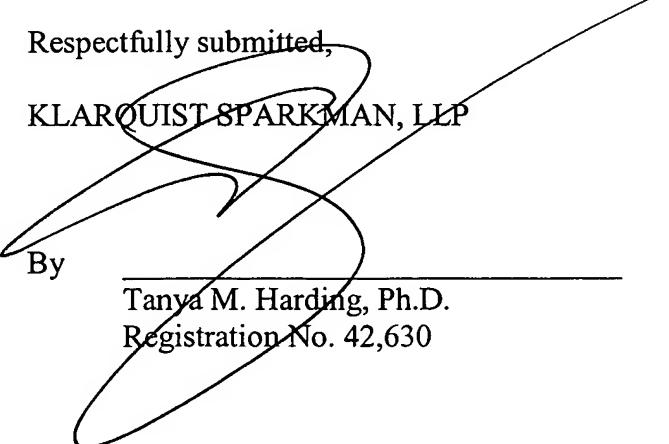

Remarks

By this amendment, the specification has been changed to reflect prior related applications, and to add an abstract on a separate page. Replacement Drawing sheets 1-4 (showing Figures 1-6) are provided, which are believed to be clear copies of the sheets filed at the International Stage. No changes have been made to the Figures.

Claims 6, 9, 14-17, 19, 20, and 23-40 have been canceled, and claims 1, 3, 7, 12, 18, 21, and 22 have been amended to remove multiple dependencies and conform to U.S. claims practice. New claims 40-46 have been added, directed to subject matter originally encompassed in multiply dependent claim(s). No new matter is added by this amendment. Applicants expressly reserve the right to pursue any subject matter removed from the current application by this amendment.

After entry of this Amendment, **claims 1-5, 7, 8, 10-13, 18, 21, 22, and 41-46 are pending** and ready for examination.

The Examiner is invited to telephone the undersigned if any questions remain concerning the amendments made herein. Otherwise, the present application is ready for substantive examination, and such action is requested.

Respectfully submitted,
